

Register for an Event via the Info Hub

Upcoming events will be shown on the Info Hub **Home** page. If registration is available, simply click the **Register** button to open the event registration page.

Alternately:

1. Click **Events** in the left-hand navigation. The Events Calendar will be displayed in **Month View**, or you may change the view to **List View**.
2. Scroll through the calendar to find and click the desired event. The Event description page will be displayed. Click the **Register Now** button to register.

Once you have registered for an event, you can register additional attendees via the Info Hub.

1. Click the event that you wish to register additional attendees for.
2. Click the **Register More** button.
3. Add additional attendee(s) as needed.
4. Enter Payment information.
5. Click **Submit**.
